

JOINT STAFF TRAINING EVENT IN GERMANY

PRESS RELEASE

A Joint Staff Training Event was organized in Hamburg Germany, as part of the transnational project *Enhance professionals' knowledge for a sustainable refugees' integration*, financed by the Erasmus Program Strategic Partnerships, VET Action. The project is coordinated by Association Pro Refugiu Romania in partnership with the organizations Passage Germany, Caritas International Belgium, Association Trabe Iniciativas para la Economía Social y Solidaria Spain, Scandinavian Human Rights Lawyers Sweden.

The event took place between 3 April 2017 and 7 April 2017 with the participation of legal, social and health professionals from all partners' countries. The event's objectives consisted in exchange of best practices on different approaches to support refugees' integration, the protection of refugees against discrimination, strategies on how stakeholders should collaborate at local / national level to facilitate a faster integration process, cross-cultural communication.
